

PoE switch og Injector

- C11-242-31-380 - 24xPoE FE+2xGbE Combo EXPoE Switc

C11-242-31-380 - PoE Switch 24 port 10/100 + 2 x Gb Combo uplink. 250 meter kabellengde.

Unmanaged 10/100 Base TX PoE switch med 24 porter (IEEE 802.3at).
Maks 30 Watt pr. port, maks 380W totalt.

◦

Info

- C11-162-31-250 - 16xPoE FE+2xGbE Combo EXPoE Switc

C11-162-31-250 - PoE Switch 16 port 10/100 + 2 x Gb Combo uplink. 250 meter kabellengde.

Unmanaged 10/100 Base TX PoE switch med 16 porter (IEEE 802.3at).
Maks 30 Watt pr. port, maks 250W totalt.

◦

Info

- C11-082-32-120 8-Port 10_100- 8 PoE Ports + 2 EXPo

C11-082-32-120 - PoE Switch 8 port 10/100 + 2xGb Combo uplink. 250 meter kabellengde.

Unmanaged 10/100 Base TX PoE switch med 8 porter (IEEE 802.3at).
Maks 30 Watt pr. port, maks 120W totalt.

◦

Info

- C11-042-30-065 - 4xPoE FE + 2xFE EXPoE Switch

C11-042-30-065 - PoE Switch 4 port 10/100 + 2 x RJ45 uplink. 250 meter kabellengde.

Unmanaged 10/100 Base TX PoE switch med 4 porter (IEEE 802.3at).
Maks 30 Watt pr. port, maks 65W totalt.

Om Alarm Parts AS

Alarm Parts AS er en uavhengig norsk distributør av sikkerhetsprodukter. Vi lagerfører et stort utvalg produkter innen blant annet innbruddsalarm, videoovervåking, strømforsyning, nettverksutstyr, alarmoverføring,

adgangskontroll og portstyring. Dersom du savner noe på våre nettsider, spør oss! Vi kan bistå med produktvalg og prosjektering, og tilbyr selvsagt også support for alle våre produkter. For tilgang til priser og og bestilling på disse nettsidene ber vi om at du registrerer deg og ditt firma ved å klikke på "opprett konto" oppe til høyre på siden - eller ring oss, så gjør vi det for deg. Alarm Parts AS selger ikke direkte til sluttbruker, men vi kan formidle kontakt med en installasjonsbedrift i ditt nærområde.
